

OVENLY

by

ANGEL
BAKERIES.

OVENLY is an 8-minute baking solution - developed to simplify professional baking while preserving top quality and reducing process steps.

The same great pita.
A smarter process.

8
min

Defrost | Directly in the pack
the pitas arrive in

Bake | In the same closed
pack in a standard oven

Cool | Steam is retained in the
pack, maintaining softness

Shelf-Ready | Sold in the same pack - freshness
maintained for 48 hours after baking

All steps in the same pack

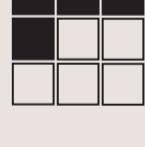

Same great
pita, zero
compromise
on quality

Only 8
minutes, from
defrosted to
shelf-ready

Same pack for
baking, cooling &
selling - with
custom branding

Fewer steps,
reduced
handling and
cleaner
operation

Compatible
with standard
ovens - no
steam
required

No
specialized
operational
skills needed

OVENLY

The same great pita. A smarter process.

OVEN

8-minutes
after defrost

MICRO

70-100 sec
from frozen

Pitas arrive frozen, packed in pairs or fours, in a baking pack suitable for both oven and microwave use, designed to maintain optimal freshness for up to 48 hours after baking.
